

Hello! I'm Isabel Chavez, a LoveEd Coordinator with the John Paul II Renewal Center. I wanted to introduce myself and tell you about LoveEd.

"As a young girl growing up I remember how my parents, first generation immigrants, struggled to form and protect us from sexual immorality. Unfortunately, there were no parenting resources offered at our church to help guide them. Too often this is still true in too many parishes! This is why it gives me great joy knowing that we can offer them LoveEd in both English and Spanish."

3. LoveEd Level 2 for Parents with their teens ages 12–14. Father/Sons are in a separate room than Mother/Daughters.

LoveEd was created so that churches and parishes could empower parents to effectively teach their children about the beauty of love and sexuality within the context of our Christian Faith.

LoveEd

The LoveEd video-discussion program helps parishes and schools teach both the theology and science of human sexuality within the context of God's plan for love and life. It helps young people discover the beauty and the purpose of their sexuality, while protecting their innocence.
