Mr. Jack Rigert
Director, John Paul II Renewal Center
902 S. Randall Rd. Suite C No. 296
St. Charles, IL 60174

Dear Mr. Rigert,

Thank you for your continued dedication to upholding the sanctity of marriage and the family through the ministry of the John Paul II Renewal Center. I appreciate that you and the Center continue to be valuable partners in ministry.

I am pleased to give my permission for the LoveEd curriculum which has an *imprimatur* from Bishop Joseph Siegel of the Diocese of Evansville, to be presented in the parishes and schools of the Diocese with the approval of the respective pastor/principal. The material helps to implement many of the insights of Pope St. John Paul II's Theology of the Body and the beauty of chastity in a way that empowers parents to teach their children about love and sexuality. The LoveEd program promotes family catechesis and discipleship and is faithful to the teachings of the Church.

May God continue to bless you in your ministry and bring you grace and peace.

Sincerely yours in Christ,

Most Reverend David J. Malloy
Bishop of Rockford
